Where	Harbour View Road
When	21-24th October (weather permitting)
Traffic Impact	ROAD CLOSED from 1pm 21st Friday – 5am Tuesday Open Tuesday then closed Tuesday night, open Wednesday

Where we are working (approximate area)

Please note: temporary traffic management will extend outside of the marked work areas

What we are doing

Auckland Transport and its contractor Ventia wish to notify you that we are undertaking road maintenance works in your area.

This work is necessary to ensure the safety of traffic and other road users and to sustain the serviceability and appearance of the road.

Traffic impacts

Our aim is to carry out the works with minimum disruption for the Road Users.

There will be a ROAD CLOSURE in place for the duration of these works.

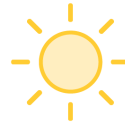

Works are weather dependant. If bad weather delays the project, works will be programmed for the next available suitable day.

If you do not have parking available on your property, please park your vehicle away from the works so that the work can be completed promptly and with minimal disturbance to residents and other road users.

All work areas will be signposted for your safety. Please keep young children and animals well supervised and clear of any work area.

We apologise for any inconvenience and appreciate your patience while we do this work.

General impacts

All works are subject to favourable weather and on-site construction conditions.

Our standard work hours are Monday to Saturday between the hours of 7am to 7pm.

There will be increased noise, dust and vibration levels associated with this work. We will do our best to minimise these.

**ROAD
CLOSED**

Road closure will be in place for the duration of these works.

Due to the nature of the work, **vehicle access to your property may be affected and where possible we will notify you on a one-to-one basis about your access.**

Street parking outside your property may not be available during the work times. No parking signs will be erected 24 hours before works begin.
