I hope you are all having a great start to your week.

This week, on Friday 14 June, to celebrate International Languages Week, we will be celebrating our school community's cultural diversity with students dressing in their national attire. There is no cost for this event – we would love to see the wonderful displays of attire from Aotearoa, Africa, Asia, the Pacific, the Americas, Europe, and even our good mates across the ditch – Australia.

Last year, we did this, and it was a fantastic day celebrating the unique spread of cultures we are lucky to have within our school. This will be inclusive of our Diversity Day which we previously postponed. Special activities will be arranged by our Kaunihera team.

Also, this Friday, over 40 students will be selling their baked goods at lunchtime. All items are \$1, \$2, or \$3, with all funds raised going towards Starship Children's Hospital.

We look forward to all students participating where they can.
